

## KIPKIRUI KOECH | WEB DEVELOPER

**Mobile No:** +254 727 176 688

**Email:** [hezekiahkoech@gmail.com](mailto:hezekiahkoech@gmail.com)

### Professional Summary

A detail-oriented software developer with a passion for developing innovative programs that expedite the efficiency and effectiveness of organizational success. Well-versed in technology and writing code to create systems that are reliable and user-friendly..

### Skills and Competencies.

- **Programming Languages:** PHP and Python (Django).
- **Relational Database Management Systems:** MySQL, SQLITE and POSTGRESQL. I have successfully designed, developed and implemented various stored procedures to meet system functionalities and for reporting purposes.
- **Web design and development:** HTML5, JavaScript, CSS3, REACT JS, DRF, ASP.NET.
- **Operating systems:** In-depth knowledge of Windows, familiar with Linux.
- **Project Management Skills** Huge projects management experience in IT related field.
- **Coding environment:** During my development I have used several editors including VS code, Sublime, Pycharm, Code blocks, Dev C++ and servers for database like Xampp and Wampp.
- **Computer Skills:** MS Office (Word, Excel, Access, PowerPoint, OneDrive, OneNote and Outlook) and software applications.
- **Analytical Skills:** Recognizes areas of weaknesses requiring improvements and makes recommendations to the management for consideration, approval and implementation
- **Decision Making and Problem Solving Skills:** I am able to make timely, well considered and logical decisions on problem situations that may arise so as to find appropriate and workable solutions.
- **Phone, Email and Face-Face Communication Skills:** I can communicate to others to convey information effectively. In addition I can give full attention to what other people are saying, taking time to understand the points being made, asking questions as appropriate, and not interrupting at inappropriate times.
- **Flexibility and Adaptability:** I am a flexible team player who thrives in environments that require ability to effectively prioritize and juggle multiple concurrent tasks. I am also very positive, resilient and open to new ideas.
- **Customer and Time Management:** Ability to manage competing priorities effectively, to be resourceful and to use time as a resource.
- **Teamwork:** Possess strong commitment to team dynamics with the ability to contribute expertise and follow any directives at appropriate times.
